

Magyar & Associates / Nutech Control Products

Representatives & Distributors Of SCADA, Process Instruments, Components, Solar & Wireless Solutions

Certified Woman Business Enterprise

- Minco** * temperature sensors, transmitters & controllers
* thermofoil heaters & flexible circuits
- Control Microsystems** * SCADA hardware & software solutions; PLCs, RTUs & I/O products
* data radios, HMI, wireless process instruments
- GE MDS** * wireless data network products; multi-point & peer to peer backhaul
* spread spectrum, licensed, ethernet & I/O radios
- Kistler-Morse, Inc.** * bulk storage & in-process weighing, batching & level monitoring
* loadcells, bolt-on strain gauges & ultrasonics; bulk inventory logistics
- Kobold** * flow, pressure, level & temperature instrumentation
* transmitters, switches, sensors, gauges, controllers & indicators
- Babbitt International** * continuous & point level sensors: radio frequency probes
magnetic level gauges; magnetostrictive transmitters, ultrasonics
* dust emission monitors, broken bag alarms, radar level transmitters
- Aquavx** * internet based asset monitoring and control solution
- ANTX, Inc.** * autodialers; control, data logging & automatic alarm notification systems,
* radio & internet communication; pump controllers
- Gerhart** * turnkey weighing & batching solutions
* scales: platform, bench, truck, railcar, etc.

Accutech battery-powered wireless sensors

Precision Digital process meters & controllers

Conery tethered float switches & accessories

KPSI submersible & in-line pressure transmitters
